

# Ocean In A Bottle

Source: The Ultimate Book of Kid Concoctions

## Materials:

1 clear plastic 16 oz soda bottle with a cap  
Large bottle of baby oil or light cooking oil  
1/2 Tbs. blue food coloring or powder  
tempura paint  
Water

## Directions

1. Fill half the bottle with baby oil using the funnel.
  2. Mix food coloring with water and fill bottle with water until full.
  3. Screw cap tightly. Slowly tilt the Ocean in a Bottle to left and watch as the waves crash against the sides of the bottle.
- ( If tempura paint is used, mix with oil in bowl (let set for 10 minutes) and pour into bottle. Don't pour sediment into bottle.)
